

Dr. Timothy Lueking

2 Timothy 4:2

TimLueking.Com

My Mission

My desire is to give glory to God as I strive to help each person develop a deeper understanding of the Word of God through Biblical preaching, teaching, and education. I utilize a three stage approach to accomplish this mission:

Stage #1 - Equip

Stage #2 - Encourage

Stage #3 - Educate

My Background

Tim Lueking was born and raised in Sullivan, Indiana. The youngest of five children, he developed his dedicated work ethic and love of the outdoors while working alongside his father and brothers on the family farm.

Tim earned a B.S. in Mechanical Engineering from Rose-Hulman Institute of Technology. He then began working at Crane Naval Warfare Center. During his time at Crane, God called him into full-time ministry. He pursued God's calling at Lincoln Christian Seminary in Lincoln, Illinois. He graduated from Lincoln in 2004, earning a Master of Divinity degree.

During the past 17 years, Tim has served as a senior minister at churches in Illinois, Indiana and Ohio. In 2014, he completed his Doctorate of Ministry from The Master's Theological Seminary in Sun Valley, California, specializing in Biblical Leadership and Expository Preaching.

Tim married his wife, Katherine in 2001, and together they have three boys: Timothy, 13; Paul, 11; and Jonathan, 7.

Tim is very passionate about preaching and teaching God's Word. His greatest desire is to spread the message of Christ to the lost and equip Christians to live authentic and bold lives for the glory of God.
